**Notice from Catholic Education Western Australia**

Dear Parents,

As you are aware our Principal, Mr Art Lombardi was reviewed under the Principal Review Process this year. The process involved the School Board, P&F Executive, Parish Priest, members of staff and the Principal. The review culminated in a meeting between the Principal and Dr Debra Sayce, Executive Director of Catholic Education Western Australia.

The process has now been completed and the Executive Director has endorsed the appointment of Mr Art Lombardi as Principal of St Columba's School for a second contract period.

As a result of the review, Art has developed a Professional Growth Plan which will ensure his continued development as a leader and benefit the future of the school.

On behalf of the School Board and the St Columba's School community, I would like to congratulate Art on his achievements over the last contract period and look forward to what he will bring to our school in the future.

Jennifer Debono

School Board Chair
