2022 STUDENT LEADERS

15 November 2021

Dear Parents

As you are aware, the Year 5 students nominated for the 2022 school leadership positions and presented their speeches to the students in Years 5 – 6 and various staff members. The speeches were of a high calibre and every student deserves to be recognised for their excellent efforts and obvious commitment to being a positive role model in 2022. They had clearly spent a great deal of time and effort preparing. They found some truly inspiring quotes about leadership which I have taken on board myself.

Following the speeches, students in Years 5 and 6, along with staff, voted on who they believed had the strongest leadership skills to undertake the various roles. I would like to congratulate all students for their efforts.

It gives me great pleasure to notify our families that the following students have been named as our school leaders for 2022.

Head Girl: Kassandra Flexman
Head Boy: Matthew Li
Deputy Head Girl: Charlotte Smith
Deputy Head Boy: Craig De Mello
