TO ALL SCHOOL CHESS TEAMS, COACHES AND TEACHERS

This is an invitation to participate in the Schools Chess League run by The Chess Association of WA inc. A series of four zonal tournaments is held between March and June. The best performing teams from both Primary and Secondary schools are invited to play in the Schools Chess League Finals scheduled to be played on 22nd August. The Primary and Secondary school winners then earn the right to play in the National Schools Finals. There is an additional tournament for Girls schools with the winners also earning the right to play in the National Schools Finals.

Last year over 50 schools took part in the last zonal tournament held in Nedlands Primary School attracted nearly 100 chess players. This year, due to the current COVID restrictions, for the first time, the Northern Zonal SCL will be held online. We have engaged the services of a very experienced group of organizers from Malaysia to assist us in setting up and running this tournament. We value your school and students' participation. Please register your students ASAP (details are on the CAWA website www.cawa.org.au) as we can only take 100 students for this tournament. We look forward to hearing from you.
