

# Talking About Tricky Topics

## Children & Pornography

The Internet and portable electronic devices has transformed the way pornography is accessed and how pornography accesses children. Children are growing up in a world where it's impossible to avoid sexualised media and pornography. Whilst pornography is not new, the nature and accessibility of pornography has changed considerably.

It's not a matter of 'if' a child will see pornography but 'when' and the when is getting younger and younger.

You will leave this workshop with research and evidence-based up-to-date information, conversation starters, practical strategies and resource recommendations.

**DATE:** Thursday 9 June 2022  
**TIME:** 6:30pm – 8:30pm  
**VENUE:** St Michael's School  
 3 James Street, Bassendean  
[www.esafekids.com.au/events](http://www.esafekids.com.au/events)
