In order to feel safe we will:

- Follow school rules
- Look out for those younger than us or those in greater need
- Help others get help from a trusted adult

In order to feel confident we will:

- Include others
- Compliment others
- Be open to the idea of others
- Believe in the good in others and ourselves

In order to feel respected we will:

- Take care of others and the environment
- Be friendly to everyone
- Admit when we have done wrong
- Listen

At St Columba's School Bayswater we want to feel:
Trusted, Respected, Confident, Safe and Valued.

When someone isn't experiencing these feelings we will:

- Listen to how they are feeling
- Respectfully stand up for them
- Try to provide help or get them to tell a trusted adult
- Make them feel good again

My teachers have helped me understand our Student Code of Conduct, our Classroom Rules and the School Behaviour Guidelines.

I understand it is my responsibility to do my part. I will follow the Student Code of Conduct to the best of my ability and support others to do so too. I am proud to be at St Columba's Primary School Bayswater.
