Enrol now at La Salle College

La Salle College is now taking enrolments for current Year 4 students starting Year 7 in 2027.

At La Salle College we offer a wide range of learning programs and academic pathways, as well as opportunities in a multitude of areas such as skill-based and work-based learning, music, arts, sport and extracurricular activities and clubs.

Our wonderful facilities and generous outdoor spaces, which includes Science Labs, Aquatic Centre with a 10-lane swimming pool, Performing Arts Centre with orchestra pit, Chapel, Trade and Skills Centre and a double court Sports Centre, provide an innovative and modern learning environment that inspires our students to be the best they can be.

Every student is given the opportunity to succeed. We believe that education extends beyond the classroom, and we encourage our students to live out their faith and values in the service of others, whilst making a positive impact on the world in which they live. Through our teaching and learning, we aim to transform tomorrow's hearts, minds and lives in all that we do.
