

BAYSWATER CITY SOCCER CLUB

COMMUNITY SCHOOLS PROGRAMS

Baywater City SC has been providing soccer to our local community since 1961, providing teams for Men, Women Girls & Boys. The club currently has over 750 players. Jason Brown has joined the club in a full time capacity as Head of Community & Development, A UEFA A licenced coach with experience of delivering inclusive soccer programs for schools in the local Bayswater area.

See below an outline of the programs currently available for Term 4:

BEFORE SCHOOL PROGRAMS (20 STUDENTS)

Held at your school reserve, the perfect start to the day, a fun mixture of fitness and learning.

IN SCHOOL SOCCER

During the school day, soccer sessions that are aligned to the schools curriculum.

AFTER SCHOOL (20 STUDENTS)

As with the before school, programs held at your reserve offering structured soccer training straight after the school day.

BAYSWATER SCHOOLS SOCCER TOURNAMENT

We are looking for expressions of interest for schools to come together for an end of term soccer tournament managed by Bayswater City Soccer Club.

COSTS

We are flexible about how we manage the financial arrangements as every school has their own requirements. We have a fee of \$50 per hour as a standard cost (including set up time).

Payments from School, Parents Councils or parents, we can create a solution that suits your school.

MORE THAN JUST SOCCER

We know the power sport has as a platform for positive learning, every program is designed to be inclusive to all and will include key life skills as well as learning new soccer techniques.

The soccer content will be age appropriate allowing every child to take ownership for their learning and express themselves in a fun and safe environment.
