# HARMONY WEEK

**EVERYONE BELONGS**

Harmony Day in Australia is a national celebration held the week of the 21<sup>st</sup> of March each year. It is a week where we recognise the diversity that makes Australia a wonderful place to live.

At St Columba's, we acknowledge and celebrate Harmony Week by the students in all year levels completing activities that help them learn about Harmony Week and diversity in Australia.

Students are encouraged to wear their sport uniform on Friday 21 March and to include some orange accessories to celebrate the day.

Accessories may include orange ribbons, socks, ties or bracelets.

**OR**

Wear a traditional garment or outfit recognising their cultural background

A gold coin donation on the day, will go a long way to providing support for those cultures who are living in poverty and persecution.

Thank you for your support.
