

It's the time of the year to have a look for any library or class books that you may still have at home. Don't give up hope yet. Here are some places you might not have looked yet. Over the years, we've found missing books in many of these spots.

- In a Closet
- Under Beds
- Under the Couch
- In Your Vehicle
- Chair and Couch Cushions
- On the Bookshelf
- In a Back Pack
- Lost and Found
- etc
