

First Nations Student Bursaries

Applications are invited from First Nations families who would like their children to receive a Catholic education.

Bursaries can assist with the cost of tuition fees and will be provided at the Catholic schools listed below. **Bursaries do not cover boarding fees.** The bursaries are intended to recognise commitment to schooling as well as assist First Nations students who might be denied a Catholic secondary education because of financial circumstances.

Expressions of interest should be made by the end of Term 2.

Applicants must be First Nations and have a desire to be educated in a Catholic school. Applicants are expected to have established strong foundations for learning and aspire to complete Year 12. Parents/guardians of eligible students are invited to lodge an application early as the number of bursaries is limited in each school. Information and application forms are available from the Principal, at any of the above schools.
