

ST COLUMBA'S SCHOOL

10 June 2026

Dear Parents and Guardians

Due to a number of handball incidents throughout the school, the leadership team have decided that handballs will now be treated the same as other toys and sporting equipment. This means that they remain at home – students are not to bring them to school.

All classes have access to sporting equipment for recess and lunch, and we will ensure tennis balls and handballs are supplied, so students may continue to enjoy playing handball during their recess and lunch breaks.

Your support with this is greatly appreciated.

With thanks

Mrs Leesa Vinciullo

Assistant Principal
