

St Columba's School Bayswater

Grow in Faith Seek Wisdom Live in Peace

P&F Meeting Summary – September 2026

Thank you to everyone who attended the September P&F meeting. It was a productive evening with updates on P&F finances, planning for 2027 and several upcoming community events.

Key Updates

Planning for 2027

The P&F unanimously approved a \$15,000 commitment towards school capital or operating expenses for 2027. The aim is to identify a clear project or priority that can be shared with the community, with ideas including further classroom technology upgrades, a bike shelter and improvements to the school sound system.

Father's Day Reflection

Donut with Dad was a wonderful success, with fantastic feedback about the atmosphere, volunteers and students. The photo stand was a popular addition and has been donated to the school for future events. Feedback will also help refine future events, including coffee service, water and recycling.

Sports Carnival

Preparations were well underway for the Sports Carnival bake sale and sausage sizzle, thanks to the many volunteers and families supporting the day.

School Disco – 16 October

Planning is underway for the School Disco, with three age group sessions scheduled across the afternoon and evening. Tickets are planned at \$10, including pizza and a glow stick, with additional treats available on the night. More volunteer opportunities will be shared with families.

Looking Ahead

A family movie night is being explored for Term 1 next year, with Community Cinemas as a possible venue. The P&F also approved the additional \$200 cost for an experienced speaker operator for Edu Dance.

Next P&F Meeting

Tuesday 27 October 2026
6:30pm – School Library

This will be the final P&F meeting for 2026. All parents and carers are warmly welcome to attend.
